

Millésime 2002

EYE:

A lively sparkle feeds strings of tiny bubbles coming out on the surface. Lovely clear and shiny wine with old gold hues.

NOSE:

The first nose is pleasant, expressing the maturity of this vintage wine, together with delicate toasted notes. After airing, notes of honey and gingerbread.

MOUTH:

The attack on the palate is round and plentiful, with a perfect reminder of the nose and the addition of liquorice; a long and full finale.

CONCLUSION :

An excellent vintage, at the peak of its maturity, racy and powerful.
